LET US WALK THE PATH TO REDEMPTION

THUNK
AAARRGG!!

Ridiculous!!

He was that close to setting it off...

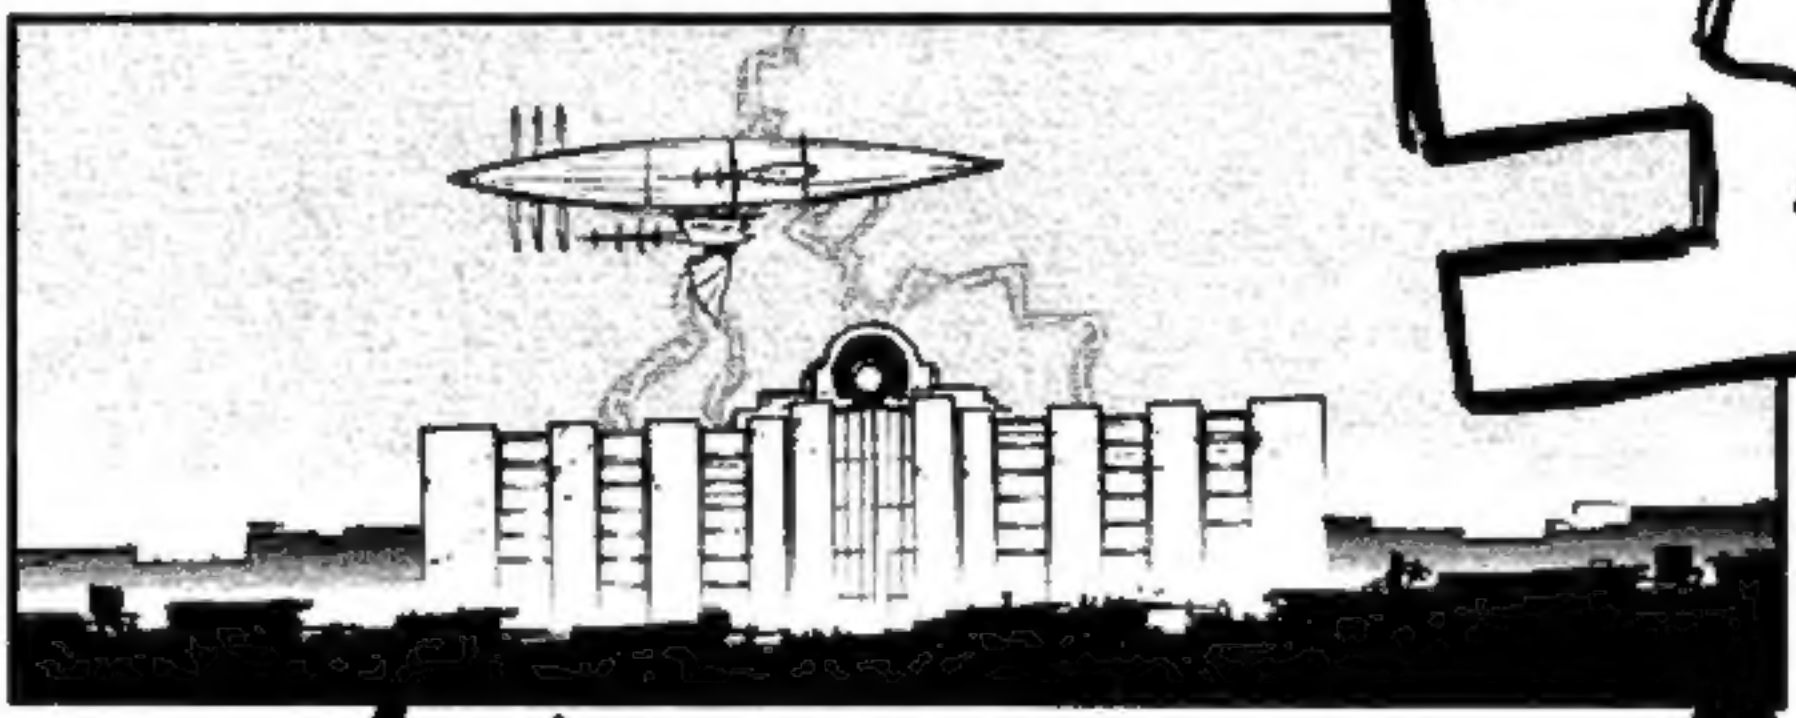
How reckless.

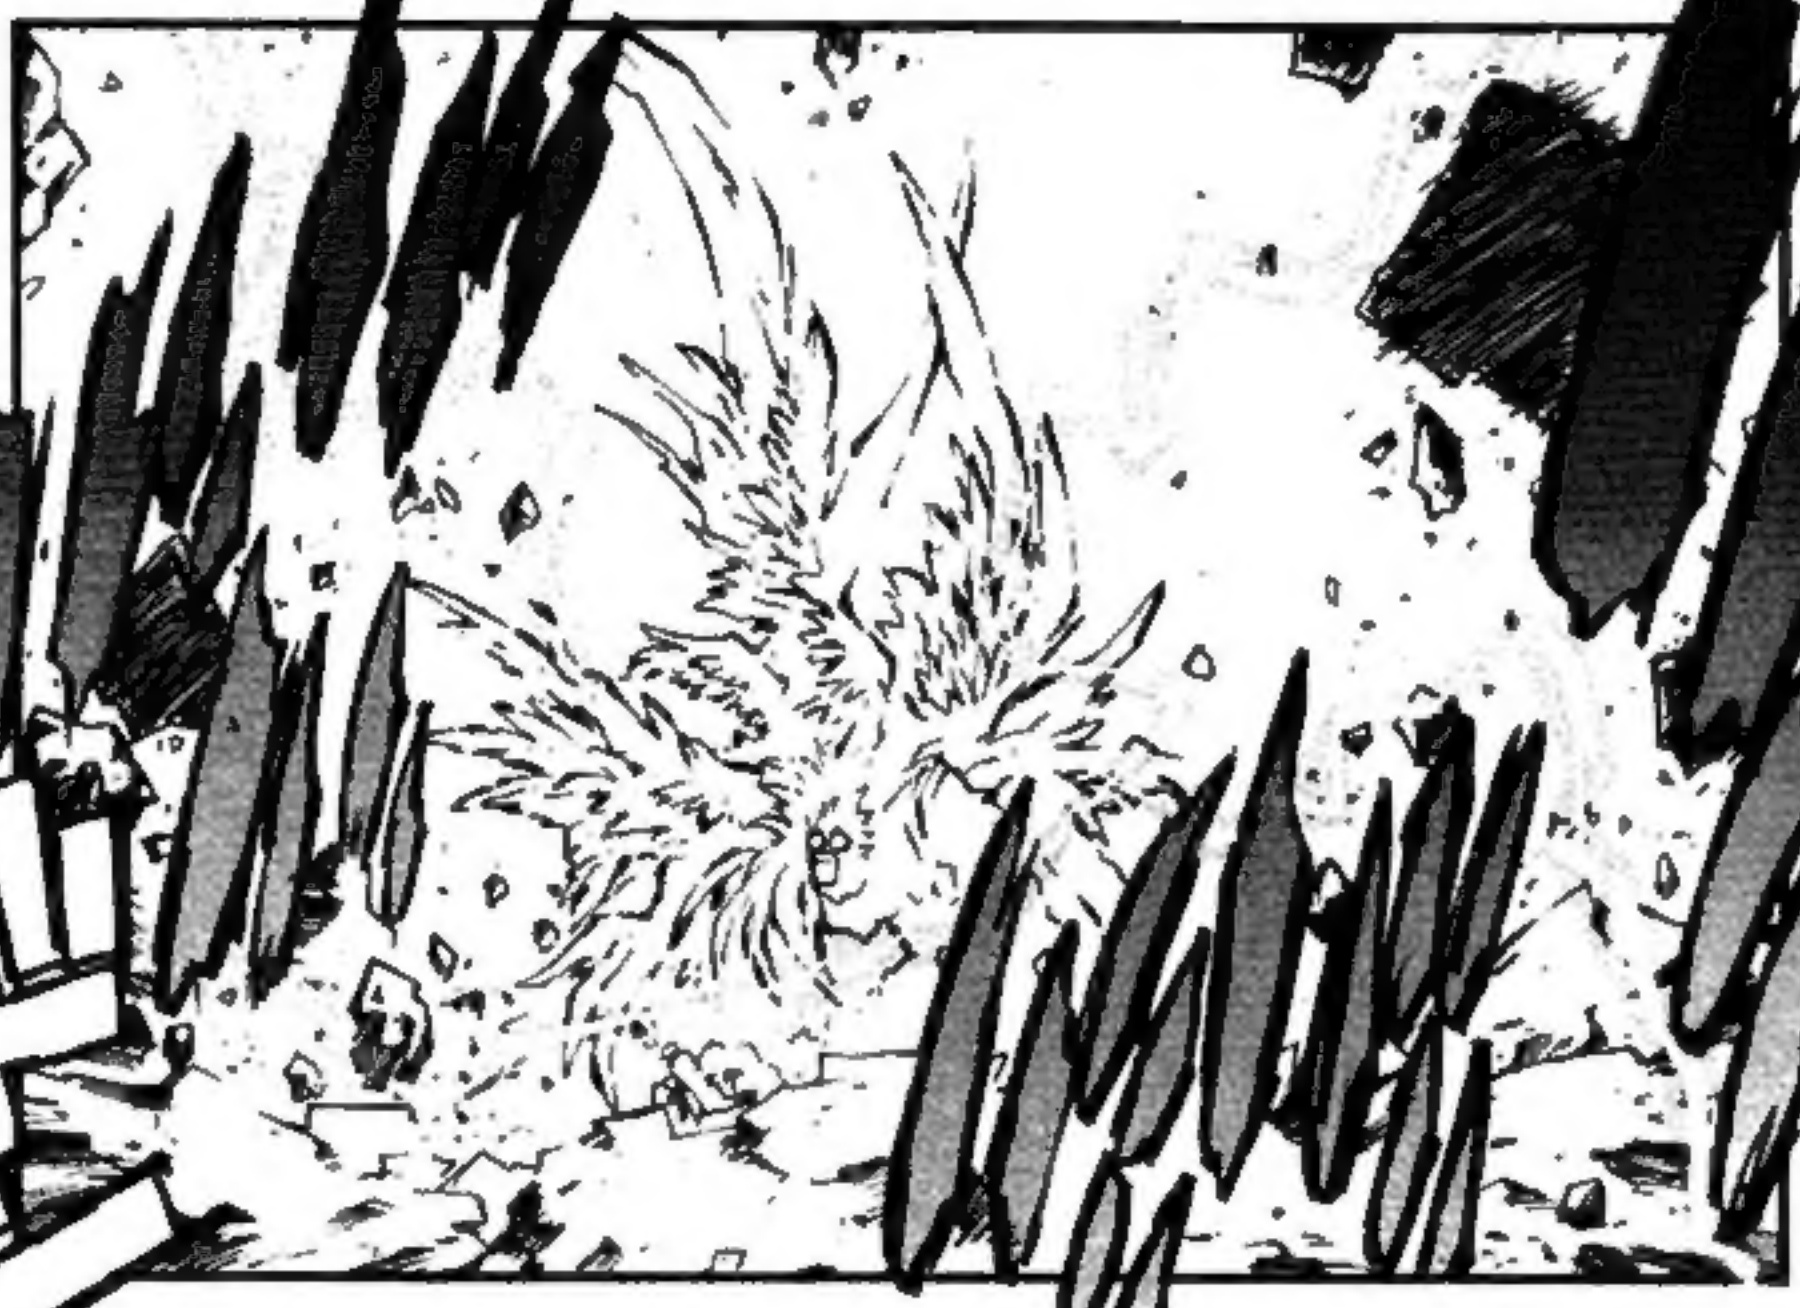
This is why I hate people with suicidal tendencies !

AAAHH!!!

Engines stand-by, full power!

Prepare for a full-speed retreat any time now!





He's just inches away from releasing it!!
All of that stored up energy of his...
We're screwed now... he's out of control!!!

You're STUCK ?!

What do you mean you can't?!

Run away, midget girl!!!

OOOF!!

ugh!

Rem is...
gone.

To keep
my memories
of her
smiling...

I'm alone
now.

I shall move on.

My scars
only
multiply.

Admist the
countless
bullets...

My tears
of joy mixed
with sorrow...

Just lose
my willpower
again.

I suddenly
realize how
I should
live...

Blinded, my despair is only heightened.

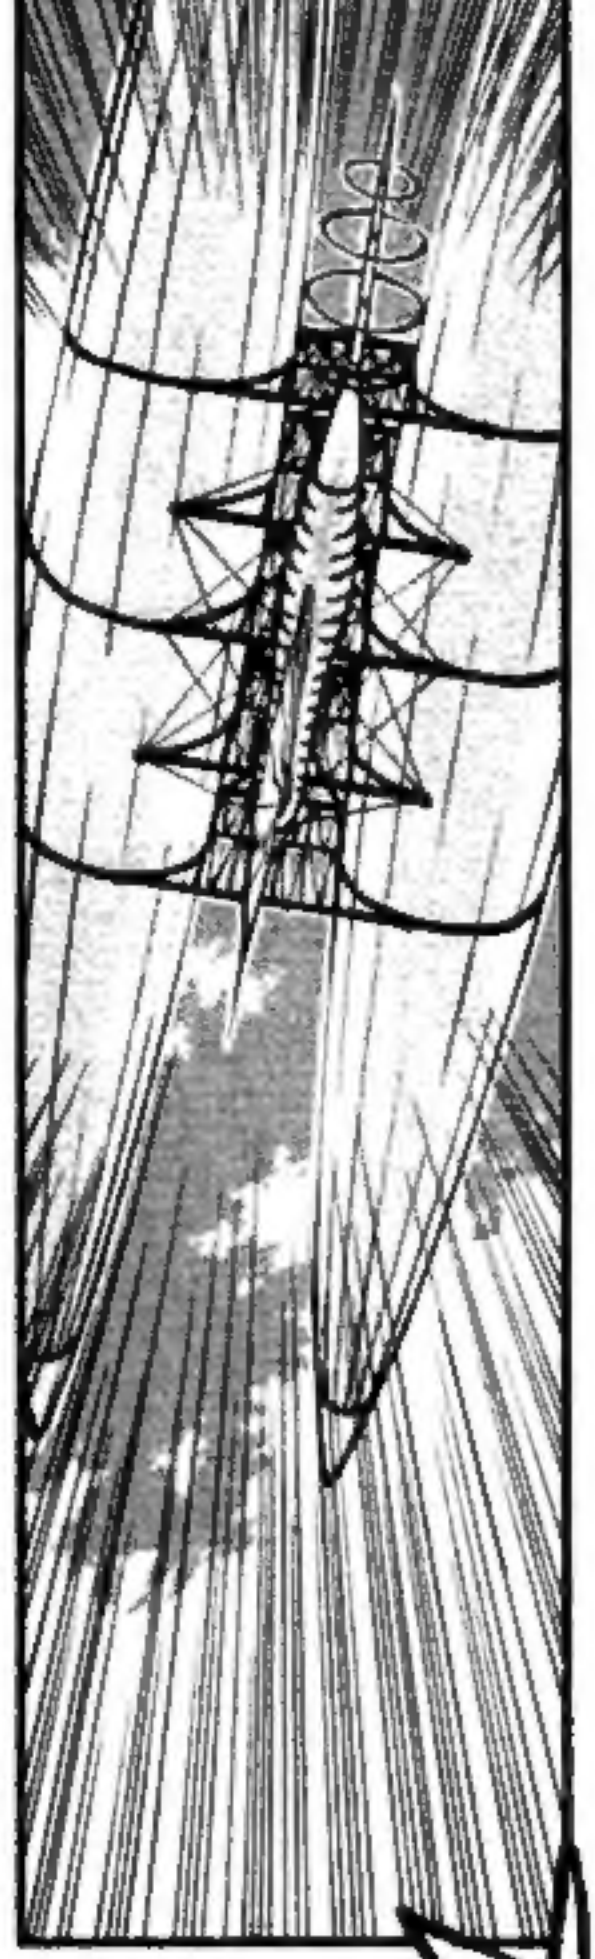
And finally, when I reach my destination...

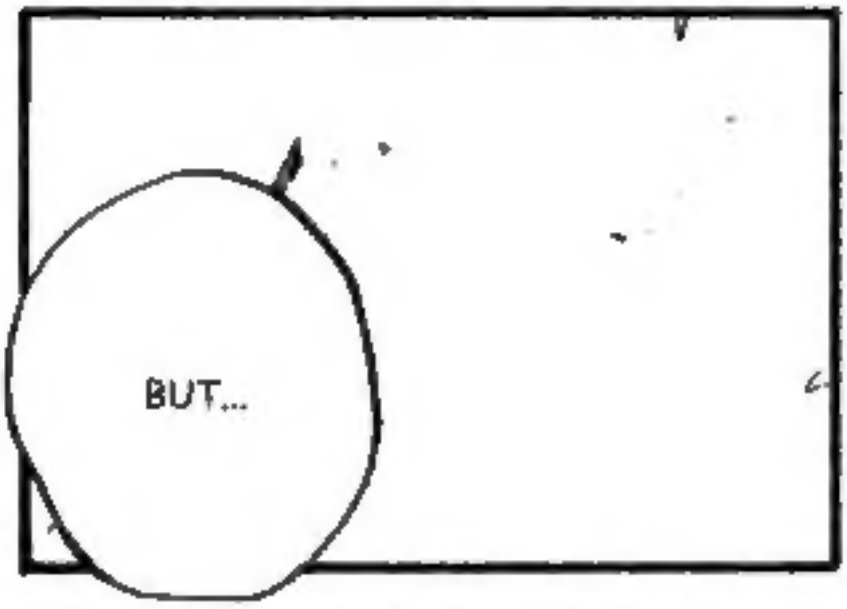
He...
saved me.

I
feel as
depraved
as ever
today.

The
dearest
thing to him...
I was about
to smash it
to pieces
!!

GULP.





BUT...

Traitors shall not be tolerated.

Something that cannot be undone.

The mistake I tried to seal away...

The name I tried to forget...

CLICK

I will...

move on.

I'm sorry...

I'm sorry...

I'm sorry...

I'm sorry...

I'm sorry...

I'm sorry...

I'm sorry...

Do you really believe that she was RIGHT?

Honestly... can you really believe that about the scum known as MANKIND?

Do you really intend to live your old life like this?

So, what now?

But...

All I can say for sure is...

How can anyone know such a thing!!

I don't know

I don't know...

All
those lives
that I
erased
...

They were so kind...
